Adult English Language Classes 2025 Williamstown Community and Education Centre

14 Thompson Street, Williamstown 3016 Inc. No. AO14000T
Ph: 9397 6168 E-mail: education@wcec.com.au

- Williamstown Community and Education Centre offers a wide range of pre-accredited reading, writing, language, and computer classes to the residents of Williamstown and Hobsons Bay.
- A range of programs are offered and are provided at different venues in the local area.
- We provide education and recreation programs for a diverse range of groups including people from culturally and linguistically diverse backgrounds, unemployed, people with disabilities, sole parents, educationally disadvantaged and older adults. Classes and activities are open to all, and are held in a welcoming, warm, and friendly environment.
- Courses are subsidised through the State Government Adult Community and Further Education Board, provided individuals meet the Victorian eligibility requirements.
- People can learn about language and literacy while also gaining new knowledge about the community they live in.
- All new students need to make an appointment and be interviewed to ensure they are placed in a suitable class.
- Please ring and find out more about our classes for yourself, family, and friends.
- **FEES** are **\$30** per Semester – this includes cost of materials.
