Hobsons Bay Learners' Activity Book Launch

We are very excited to announce the launch of this Activity Book sponsored by the Adult Community and Further Education Board Capacity and Innovation Fund

The student Activity Book focuses on Hobsons Bay, for teachers delivering pre-accredited English Language courses and the Accredited English as an Additional Language (EAL) Framework Course.

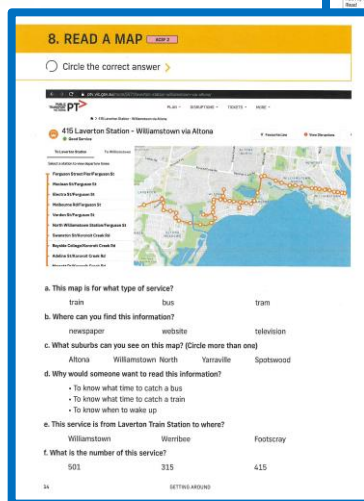

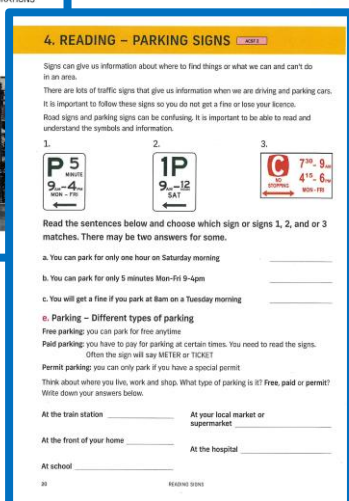

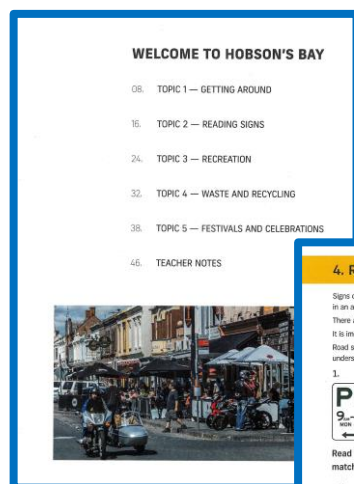

Activities are aligned with units in the EAL Framework Course.

The Activity Book is an information resource on local services, programs along with useful community information.

The Activity Book is published **FREE** on our website for others to download and start using NOW! See under 'About Us' **HERE**.

A packaged InDesign version that can be edited can also be provided, so if there are changes to content, to be altered for another Council application, then this can be done by individual Learn Local organisations.

Email me to receive a link to the InDesign files.

mental wellness programs

**DON'T LET THE PANDEMIC
LEAVE YOU ISOLATED,
STRESSED OR ANXIOUS**

To help people through social isolation, lost employment and other impacts of the COVID-19 virus Grow has opened additional online eGrow support groups.

Grow offers a unique experience by offering peer support meetings via video conferencing at different times across Australia.

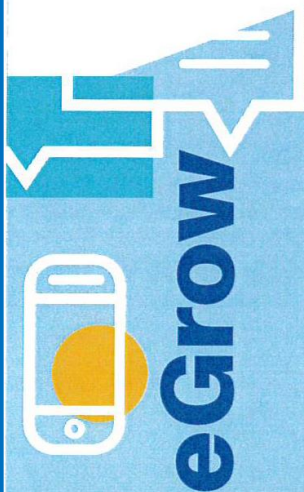

**PEER SUPPORT
ONLINE GROUPS**

**GROUPS FOR
YOUNG ADULTS
(18 - 35YRS)**

**GROWING RESILIENCE
PROGRAM**

Grow Australia is introducing '**Growing Resilience**' - a 2 week program specifically designed to provide immediate assistance to those struggling with their mental health in this crisis.

Consisting of 4 modules (**Uncertainty, Feeling Overwhelmed, Loss and Relationships**) which is delivered for 2 hours twice a week. The benefit of the program being peer-based is that people can still get social interaction and experience community while they are physically isolated.

IN PARTNERSHIP WITH

Managers musings

It's been an extremely busy and daunting month – in lots of different ways.

Lynne and the teachers have been innovative and working hard to experiment and adapt to a new 'mixed mode delivery'.

Working from home and being online using Zoom, WhatsApp and even just messaging, email and phone calls, we've tried to keep in touch with all learners.

As well we set up a system of 'Study Packs' where teachers drop in during the week and prepare hard copy work for students.

They are then put in trays for each class.

On Fridays we open for a few hours for students to drop off their work, sign off and collect a new Study Pack. This is working well.

Unfortunately, we needed to suspend childcare for term two and will not re open until advised. We had too many issues building up to term two, including low numbers, our Centre not being eligible for free childcare, strict quarantining that we weren't set up for, and basically a high risk for all.

All rentals, venue hire, and other programs have also been suspended.

Other adjustments and negotiations with stakeholders include -

Be Connected
Every Australian online.

- Our *Health My Way* initiative, a Good Things Foundation program, supported by the Australian Digital Health Agency, has been extended into 2021.
- The *Active Neighbourhoods for Older Australians*, sponsored by Musculoskeletal Australia, University of Sydney and the Australian Government still has one small group running from Dulcie Shaw House with Lynne.
- Our *West Welcome Wagon Volunteer English Tutors* program funded by Hobsons Bay City Council to support the volunteer tutors helping refugees learn English is postponed for the time being.
- Hobsons Bay City Council has also assured us of continued funding, even if we don't meet contract deliverables.
- The Victorian Department of Health and Human Services have assured Neighbourhood houses will continue to receive Neighborhood House Coordination funding during this crisis.
- Adult Community and Further Education has assured continued funding, even if we don't achieve contracted student enrolment targets.

We've also been busy working hard on getting our heads around the JobKeeper payment and associated administration, which has been very tricky and complex. We have established that we did not meet the required reduction in turnover in April. So, we will therefore be enrolling with the ATO for the JobKeeper payment to commence in the week starting May 11.

As well as re organising staff, making forecast projections and generally trying to 'keep ahead of the game' in an environment of constant and significant change.

Finally, the completed Report of our award winning EAL Teacher Jodie Whitehurst, on her ISSI Fellowship is now available to look at under '*Fellowship Reports*' on the ISSI website [HERE](#).

Well done Jodie!

Please take care everyone.

Mark.
